THE Friendship SPECIAL!

COZILY YOURS, THE BRAND

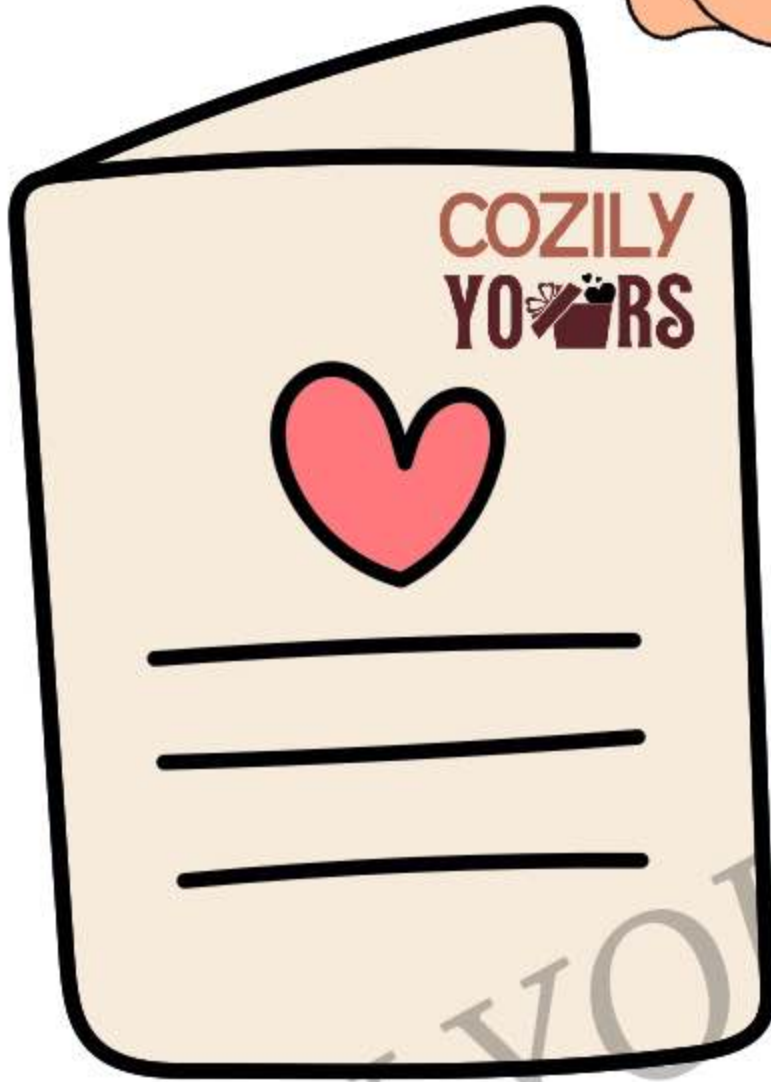

Welcome to Cozily Yours, where thoughtful connections meet beautiful design. As a long-time card enthusiast, I was always on the lookout for the perfect way to express my thoughts and feelings. But after years of browsing store shelves, I realized that the ideal card didn't exist - so I decided to create it myself.

With the help of talented friends, including a skilled graphic designer, Cozily Yours was born. What started as a passion project has grown into a labor of love, with a range of handmade cards for every occasion: birthdays, graduations, weddings

anniversaries, and more. Each design is carefully crafted to help you connect with others in a meaningful way. At Cozily Yours, we're dedicated to spreading love and kindness, one card at a time. That's why every piece we create is Crafted with Love, Sent with Care.

As we've grown, we've also expanded our creative horizons to include custom-made magazines, like this very one! We're thrilled to share our story and our art with you, and we hope that Cozily Yours becomes your go-to destination for inspired connections.

MEET

THE POWERPUFF GIRLS

In the halls of Female Medical Hostel, our paths crossed, and our lives intersected. From strangers to sisters, our Uni days brought us together, but life made us family.

We spent our teenage years sharing laughter, tears, and memories that shaped us into the women we are today. We've been through it all - the ups and downs, the breakups and makeups, the times we drifted apart and the moments we found our way back to each other.

Now, as we navigate the ups and downs of our early 20s, distance may separate us, but our bond remains unbroken. We're proof that true friendships can transcend time zones and miles, and we're grateful for the journey so far.

PS: We aren't sure how the name powerpuff came about but it was said as a joke and it just stuck

Meet

ZINO

Our unproblematic queen
 Zino can be with anybody and you wouldn't know
 because our girl is a silent queen
 Her silence is the reason she has made so many
 questionable love choices but would decide to
 speak up after the fact

Zino is an all round definition of a chill girl, Zino is not one to argue, Zino does not want to talk to people but she likes to be around them and lay on their bed and chill in their spaces, She just wants to listen and laugh to your ridicules, Rarely would she give her opinions, Her best suggestion is "what do you want me to say"

 Zino would have us all take our
 time to advice her and still end
 up acting otherwise
 Zino is on a search for an
 "INTENTIONAL man" and we
 promise you don't want to
 know the kind of persons she
 has claimed to be intentional
 but we hope you find a
 real one soonnn

 Zino is one friend who we're yet to fully
 understand. No one really knows her likes and
 her dislikes because you'd rarely see her upset.
 For now she's just our Chill girl and we love
 her for it o!

MEET OJEVWE

You need a safe space?

You need someone to talk to In search for constant optimism!!? Ojevwe is the one for you. Anyone sweeter than "Oj" as we like to call her has diabetes; Oj is everyone's go-to girl. Oj is capable of sharing her love and attention equally amongst all her friends

She's everyone's best girl. With Oj, everything would work out and everything would be alright. You can't be sad around Oj because so long it's within her means, you can have it, But Oj doesn't want to share her friends (although she won't admit it)

And you see these sweet characteristics, they're for her persons only

Ojevwe would starve if it means she actually has to cook and test out how long she'd be able to survive without eating

And I'm so sorry if you catch her on a bad day- so sorry, But if she likes you, she genuinely does and if she doesn't?

If you have issues with Oj it's likely that you're the problem

For someone who doesn't like cooking, you'd be surprised how much of a picky eater she is

Meet OKE

Take Oke seriously at your own risk.

Oke is a happy girl who is available for happy times only. Count her in for good vibes and trust her to cheer up the baddie in you. Oke is best for storytelling. If the tea was bland, Oke would add sugar, honey, salt, and syrup to give you a cinematic experience.

Oke dreams big! She thinks big! She knows she'd be what she wants to be and we absolutely love her. What is nightwear or lingerie in Kella's dictionary when there's nudity?

Any event in need of a clown? Reach out to us and don't let our girl miss out an opportunity. With Oke, you'd laugh till your cheeks wear out. Now that we're done with school, (asides Esther) one cannot help but reminisce on the late night concerts, prank calls, story tellings e.t.c and in all these Oke was the star of the show

3BG
BILLION
GANG

Davido owes our girl some accolades because there's no biggest 30BG Stan than Oke Oke studied nursing but her real dream is to be a "brand influencer"

Now does she have the resources for this? NO!
but would she achieve it? We'd see about that.

MEET

FEJIRO !

Think of Fejiro like agbalumo, sour and it slaps on first taste but later you'd realize it's actually sweet.
 Matter of fact the sweetest power puff girl (na una sabi)

Fejiro means well but her approach to it might be questionable but it's all love fr. Fejiro is quick to speak up. Some may say she's blunt others may say rude But her friends like her the way she is. Fejiro is one to get things done and make sure everything is in place

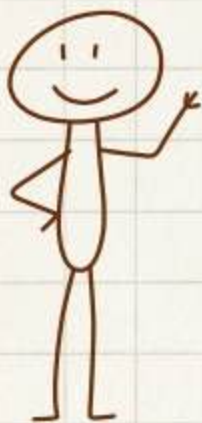

Fejiro does not like to dwell in delusion for too long, she likes to be realistic...too much for her own good. Her oil rice and Jollof spag sustained the friend group on several hungry days. Fejiro claims to have the absolute best and most dynamic music taste, But most of it is really just Wizkid, Chris brown and Burna boy.

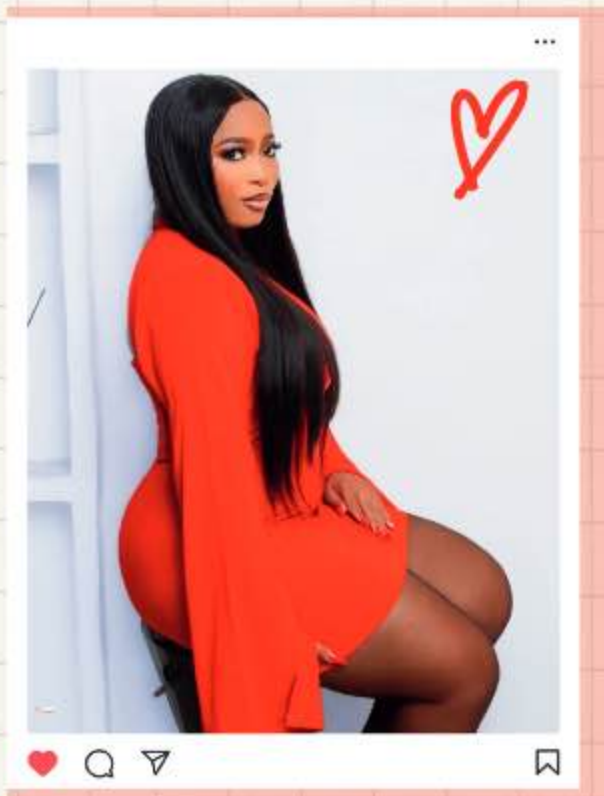

We genuinely hope Asake performs "mogbe" at your wedding and no Fejiro your husband can never be Neymar or Mbappe try and move on. The world can be falling apart but so long Fejiro has her absolute lipgloss on nothing else matters.

MEET
ESE

Our Oyibo pepper

If you decide to use the beautiful assets that God blessed you with (iykyk) you'd be able to take us all from poverty. Just shake what your mama gave you pleaseeeee

Ese is our very own Hilda baci (shape and talent wise. Ese cannot just cook, she can sing, plan and organize, stay naked, faint and so much more.

We love how you Love God. Ese is a committed worker in the house of God and we love that for us. In essence, Ese is an all round package and if she utilizes these qualifications in her curriculum vitae for an 'Achalugo', poverty will no longer be a thing in this friend group

Meet

NYORE

We just want to start by saying... (drum roll...
Thank you for taking one for the TEAMMMM
Our girl is a Motherrrr! Who would have thought?
We're so proud of you and your newly found role.
Nyore would neglect a planned outing with us just to
be with her man and now see the result

Nyore is a last minute girl. She doesn't want to stress and plan ahead when she can just deal with it at the actual time. Nyore is daring and is willing to correct any one's fuck up- Love a no nonsense queen. Now as energetic as Nyore seems, I'll have you know she's the most lazy person in the group but one thing she can do is wash clothes.

Anything that'll require physical strength and mental stress just count her out! Nyore would never tell a lie She says things as it is Nyore is fearless. Alsooo... our girl is a pharmacist and her dream is to push drugs and as a friend group we can't wait to be beneficiaries of her Mafia funds

Nyore and her man would always take us on free road adventures We're getting our Asoebi money ready

MEET ESTHER!

Esther is the only student in the friend group
But how ironic is it that she's the mother in
the group But God willing she'd graduate this
year and free us all from the shackles of her
never ending academic struggles

Esther would go any length for those
she calls hers. She's caringggg. Esther
has the vocal cords of a microphone.
Our girl doesn't need to stress to make
a point because you would HEAR herrr.

YOURS

Mind you, Esther canNOT lose an argument. She can explain to you ten thousand reasons why white is actually black. Now let's talk creativity! Our girl is the baddest nail artist and watching her grow from polishing our toenails till when it's past hostel curfew (mostly cause she came late and spent more time yapping than polishing) to where she is right now!! Ugh what an admiration we're so so proud..

Esther is devoted in her service to God and nothing shakes her faith!

MEET FAVOUR

Favour is caring
 Favour is accommodating
 Favour is in touch with her emotions
 Favour makes the best beans and
 plantain porridge
 You need the perfect tag along to that
 party? Favour is your best call

Favour is a lover girl
 Favour would support
 and patronize your
 business
 Favour would always
 drop her ideas

*And when I say
 Jack of all trades?
 Frames, surprise
 deals, skincare and
 now lip care
 products*

IT'S A BOY

MEET ELIOR

Elior came, and
everything
changed.
Nyore's now a
mum. We're all
aunties.

Somehow, it feels
like he's always
been part of us.
He's the calm, the
chaos, the joy. Our
baby boy.

Sunday FUNDAY

Discovering River Ethiopia's Source

A lazy Sunday afternoon turned into an adventure when Nyore called, inviting us to explore River Ethiopia's source. We jumped at the chance!

We spent the day soaking up nature's beauty and discovering hidden gems, including our own "Obiaruku Maldives"!

That Sunday adventure was a much-needed escape from our hostel routine, and we're forever grateful to our "mummy and daddy 😂" for making it happen. It's a memory we'll always treasure - a reminder of the joy that comes with spontaneity and shared experiences.

Y2K PARTY TO REMEMBER

Our Hall Week Finale

As executives and friends of executives of the Female Medical Hostel, we were tasked with planning an unforgettable Hall Week. The excitement was building up, and we knew we had to end the week with a bang!

The party was a huge success, with everyone letting loose and having the time of their lives. We laughed, danced, and made memories that would last a lifetime. It was the perfect ending to an amazing Hall Week.

Looking back, that Y2K party was a testament to our teamwork and creativity as executives.

We're grateful for the experience and the bonds we formed during our time at the Female Medical Hostel."
